Out-of-State Hard Card Scanning Release  
FDLE (Florida Department of Law Enforcement) Fingerprinting Vendor

Provides fingerprinting services for applicants requested to electronically transmit their fingerprints for licensure and/or employment purposes in the state of Florida

Florida Electronic Fingerprinting Services has permission to obtain applicant criminal history information for the purposes submitting an electronic fingerprinting application to (FDLE) Florida Department of Law Enforcement via hard card scanning.

Fingerprint application is for licensure and/or employment purposes in the state of Florida

Submitting livescan electronic fingerprinting per applicant request in accordance with FDLE policies and procedures, releases Florida Electronic Fingerprinting Services from any unintended harm or employment liabilities towards applicant.

Please see Florida Electronic Fingerprinting Services return and refund policy on website 1idu.com
